

Responsive Websites

Your website is your brick-and-mortar on the web. We believe your website should match your restaurant's look & feel, culture, and personality. You work hard to create an awesome experience for your guests at your restaurant, Restaurant Logic will help you build that same experience for guests on the web

Web Marketing Dashboard

Take your internet marketing to the next level with the Restaurant Logic Web Marketing Dashboard – you have an awesome new website, now it's time to promote it and your brand online. With the RL Web Marketing Dashboard, you finally have the tools to increase guest counts with one easy-to-use tool that you can access from any device connected to the internet

Marketing Ideas & Support

Access insights and expertise from a seasoned restaurant internet marketing team – our tools & resources will help you become an internet marketing pro. We know you are busy with the ins and outs of running a restaurant; with just 10 minutes per day you can accelerate your restaurant's marketing and start attracting more guests.

Is your restaurant a good fit for Restaurant Logic?

- 1) Is your website mobile-friendly?
- 2) Is your menu mobile-friendly?
- 3) Can your customers sign-up for email promotions on your website?
- 4) How often are you connecting with your customers on Social Media per week?
- 5) Are you using your website to promote specials and menu changes?
